# Pioneer

## ST17

The ST17 touchscreen computer has become an industry standard within demanding working environments. The 17" scratchproof touchscreen can be securely mounted to wall or desk and is built for exceptional durability. The ST17 can withstand millions of user touches while also resisting bacteria and liquid spills.

With a min. warranty of 3 years, and many peripherals to choose from, all computers are built to your unique specifications and shipped from California, USA.

**Touchscreen Computer**
